

PLANT HERITAGE SOMERSET

National Council for the Conservation of Plants and Gardens

Dear Member

Mary and Yvonne regret to tell you that this is the last Guide we shall be able to produce. Unfortunately we both have problems with our eyes which make it impossible for us to continue.

We have enjoyed producing the last four copies and would hate to see it disappear. We are looking for someone to take over, if you or you know of anyone who would be interested, we should be very pleased to hear from them.

Mary and Yvonne
